

God's Big Backyard (Theme)

VERSE 1: Hand Jive

Helping out

Slap knees twice

a neighbor

Clap twice

and lending a hand,

Hand over hand (2 beats per hand)

building up a

Fist over fist (2 beats per fist)

sister or brother.

***Right thumb over shoulder twice,
Left thumb over shoulder twice***

All the world

Slap knees twice

around is God's

Clap twice

big backyard,

Hand over hand (2 beats per hand)

and there's plenty of room when we're

Fist over fist (2 beats per fist)

loving each other.

***Right thumb over shoulder twice,
Left thumb over shoulder twice***

CHORUS

Oh, it's a

Right hand lassoes overhead

big backyard.

***Palms face each other, thumbs point
back over shoulders, fingers point up***

Yeah, a really

Right hand lassoes overhead

big backyard.

***Palms face each other, thumbs point
back over shoulders, fingers point up***

Everybody's serving and doin' their part

Thumbs over shoulders in rhythm

in God's big, big, big, big,

Palms face in, motion wider on "big"

big backyard,

***Palms face each other, thumbs point
back over shoulders, fingers point up***

in God's big, big, big, big,

Palms face in, motion wider on "big"

big backyard.

***Palms face each other, thumbs point
back over shoulders, fingers point up***

VERSE 2: Hand Jive

BRIDGE

Hey yo, it's a
big backyard.

Right hand lassoes overhead

***Palms face each other, thumbs point
back over shoulders, fingers point up***

Hey yo, a really
big backyard.

Right hand lassoes overhead

***Palms face each other, thumbs point
back over shoulders, fingers point up***

Everybody's serving here
and doin' their part
when we all get together in His
big backyard.

Thumbs over shoulders in rhythm

***Palms face each other, thumbs point
back over shoulders, fingers point up***

VERSE 3: Hand Jive (one exception, below)

[last line]

So take my hand and let's go, go, go!

Jump and point up on each "go!"
